### 2 & 3 Needle Bottom Coverstitch

Coverstitch: Easily converts to coverstitch for hemming and serging in one operation. Ideal for hemming all types of knit garments including tee shirts and sweatshirts, sewing elastic and decorative seaming.

### Chainstitch Mode

2-Thread Chainstitch: For creating durable seaming, binding and decorative sewing on woven fabric. The unit easily converts to chainstitch and features an automatic chain looper threader.

### 5-Thread Safety Stitch

3-Thread Overlock with Chainstitch: Wide or narrow 3-thread overlock combined with 2-thread chainstitch for creating super secure professional seams.
